The Honorable Rosa DeLauro
Chairwoman
Committee on Appropriations

The Honorable Kay Granger
Ranking Member
Committee on Appropriations
Washington DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Public Safety Improvements in Fiscal Year 2023.

The entity to receive funding for this project is the Town of Glocester, located at 1145 Putnam Pike, Chepachet, RI, 02814.

The funding would be used for significant public safety improvements. These improvements include the development of an emergency operations center as part of the existing Police Station, which is the primary public safety building in Glocester. Over the past 30 years, there have been technological advances, cultural shifts and legislative actions contributing to the evolution of public safety needs in this community, and the current facilities do not match these changes.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James R. Langevin
