The Honorable Rosa DeLauro  
Chair  
House Committee on Appropriations  
H-307 The Capitol  
Washington, DC 20515

Dear Chair DeLauro:

I am requesting funding for the Johnston War Memorial Park Baseball Complex Improvement Project in fiscal year 2023.

The entity to receive funding for this project is the Town of Johnston Parks and Recreation Department, located at 1385 Hartford Avenue, Johnston, RI 02919.

The funding would be used for the renovation of the current Baseball Complex at Johnston War Memorial Park. The current baseball complex is deteriorating after years of use and harsh New England weather. The new facility would include proper drainage and installation to help keep the fields dry and dissipate storm water more efficiently, new field material to create a safer playing surface for all those who will use this facility, and new energy-efficient lighting, which allows for safer playing and improved viewing. Johnston Public School teams, adult recreational teams, youth recreational teams, and regional AAU teams will all experience a safer, and more enjoyable playing experience from this project.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James R. Langevin  
Member of Congress
