Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for integrated plastics research at the University of Rhode Island in fiscal year 2022. The entity to receive funding for this project is the University of Rhode Island, located at 75 Lower College Road, Kingston, RI, 02881. The funding would be used for advancing the production of new sustainable materials, encouraging innovation in recycling and pollutant capture, and increasing understanding of the impact of plastics on human and environmental health.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James R. Langevin  
Member of Congress
